## The Program

Buying a home can be affordable. Thanks to a special partnership between the **Housing Finance Authority of Escambia County and the Taylor County Board of County Commissioners**, this program is designed to make purchasing a home more affordable for low and moderate income homebuyers by providing first-time homebuyers with below-market interest rate mortgage loans. Mortgage loans in this program are available on a first-come, first-serve basis.

## The Mortgage

The homebuyer may choose between a Conventional, FHA-insured, VA-guaranteed, or USDA-RD 30-year fixed rate mortgage.
